[†] Age is calculated based on the age of the Medicare beneficiary as of December 31, YYYY. If the beneficiary expired, the age is calculated based on age at the time of death.

[▲] "Full FFS, No HMO" includes 12 months of both Part A and Part B fee-for-service coverage, or for persons who died during the year, from January 1 until date of death. "Partial FFS, No HMO" includes Part A only or Part B only fee-for-service coverage or coverage that started February or later. "Some HMO" includes at least one month of HMO coverage. Some FFS beneficiaries are participants in case or disease management demonstration projects (effective 2005 forward) indicated by a value of "4" for the monthly HMO indicator in the CMS Denominator File. These beneficiaries are not considered to have HMO coverage during these months.
