Footnotes:

† The number of claims represents the total of all claims (regardless of the diagnosis on the claim) of that type for all beneficiaries identified with that chronic condition. Denied claims have been excluded for non-institutional claim types.

* Includes all Medicare beneficiaries who were enrolled in Medicare on or after January 1, YYYY.

▲ Beneficiaries may be counted in more than one chronic condition category and/or claim type.

NOTE: These counts consider fee-for-service administrative claims only. The beneficiaries included in these counts may have any combination of Medicare coverage, including full or partial fee-for-service and/or HMO coverage. The application of coverage restrictions/criteria will impact the size of these samples.

Footnotes:

† The number of claims represents the total of all claims (regardless of the diagnosis on the claim) of that type for all beneficiaries identified with that chronic condition. Denied claims have been excluded for non-institutional claim types.

* Includes all Medicare beneficiaries who were enrolled in Medicare on or after January 1, YYYY.

▲ Beneficiaries may be counted in more than one chronic condition category and/or claim type.

NOTE: These counts consider fee-for-service administrative claims only. The beneficiaries included in these counts may have any combination of Medicare coverage, including full or partial fee-for-service and/or HMO coverage. The application of coverage restrictions/criteria will impact the size of these samples.

Footnotes:

† The number of claims represents the total of all claims (regardless of the diagnosis on the claim) of that type for all beneficiaries identified with that chronic condition. Denied claims have been excluded for non-institutional claim types.

* Includes all Medicare beneficiaries who were enrolled in Medicare on or after January 1, YYYY.

[^] Beneficiaries may be counted in more than one chronic condition category and/or claim type.

NOTE: These counts consider fee-for-service administrative claims only. The beneficiaries included in these counts may have any combination of Medicare coverage, including full or partial fee-for-service and/or HMO coverage. The application of coverage restrictions/criteria will impact the size of these samples.

Footnotes:

† The number of claims represents the total of all claims (regardless of the diagnosis on the claim) of that type for all beneficiaries identified with that chronic condition. Denied claims have been excluded for non-institutional claim types.

* Includes all Medicare beneficiaries who were enrolled in Medicare on or after January 1, YYYY.

▲ Beneficiaries may be counted in more than one chronic condition category and/or claim type.

NOTE: These counts consider fee-for-service administrative claims only. The beneficiaries included in these counts may have any combination of Medicare coverage, including full or partial fee-for-service and/or HMO coverage. The application of coverage restrictions/criteria will impact the size of these samples.
